RAMP UP

SERVICED BY CENTERLINE

ONBOARDING SERVICES TAILORED TO HELP YOUR BUSINESS SCALE

Onboarding drivers can be difficult, time consuming and expensive for your operation. But it doesn't have to be this way. Centerline can help you ramp up your business by managing the recruitment and or onboarding of your drivers. On average, our time to hire is under six days.

ARE YOU STRUGGLING WITH:

- **Lack of time and bandwidth** to recruit drivers?

- The **amount of time** it takes to onboard once you find the right driver?

- **Uncertainty with volume** of drivers needed short or long-term?

- **Lack of driver recruitment** expertise in-house?

- **Rehiring** drivers quickly?

- **High turnover** within first 90 days due to lack of culture fit?

Centerline Drivers can offer a solution.

Our RampUp program is designed to quickly increase your fleet of qualified drivers. With our solution, you'll always be moving forward.

WITH OUR RAMPUP PROGRAM, YOU WILL GAIN:

- **Flexibility to scale** your drivers - up or down quickly – based on business needs

- **Reduced administrative**, compliance and financial risk of hiring or laying off full-time employees during uncertain times

- **Ability to assess** driver performance and culture fit prior to a long-term hire

- **Ability to rehire** drivers quickly and have them on road within 6 days

- A **reduced fee structure** for any drivers referred and placed through Centerline

OUR AVERAGE TIME TO HIRE IS UNDER 6 DAYS
COMPARED TO THE TRANSPORTATION INDUSTRY AVERAGE OF 25 DAYS
